

OFFSHORE WINDPOWER CONFERENCE & EXHIBITION

Boston, MA | October 13 - 15, 2021

Offshore wind is a once-in-a-generation opportunity & its momentum forward continues leading into ACP's Offshore WINDPOWER Conference & Exhibition this fall. The event has cultivated a dedicated & thriving global community of top developers and experts. As more steel goes in the water, this event will only continue to grow in value and scope. Whether you're launching a new product or working to expand your market share, sponsoring, exhibiting, or securing meeting space will generate exposure for your company that helps establish you as an industry leader.

SPONSORSHIP

Sponsoring gives you the opportunity to broadcast your company brand to this global community of top developers and experts. At the event, you get to demonstrate your company's value to attendees while they learn and network. No matter your budget, sponsorship provides a clear platform for company and product promotions, which will leave a lasting impression on attendees.

EXHIBITION

A booth gives your company limitless opportunities to increase sales, reach new buyers, close deals, and strengthen your brand.

- Meet and connect with prospective customers
- Strengthen your bond with existing customers
- Learn about new developments in the industry
- Scope out the competition
- Develop and strengthen your brand

MEETING ROOMS

Whether you're brainstorming a new partnership or finalizing a scope of work for an upcoming project, nothing beats face-to-face meetings. Private meeting rooms provide an intimate setting that allows you and your team to:

- Capitalize on the savings, connections, and convergence of the industry coming together by securing private meeting space
- Conduct scheduled meetings in a convenient location
- Construct a "home base" to host spontaneous meetings that otherwise wouldn't occur
