VIRTUAL SPONSORSHIP OPPORTUNITIES

O&M AND SAFETY CONFERENCE 2021

AUG 23 - 27 | ONLINE EVENT

The ACP Operations & Maintenance and Safety Conference is where the industry connects to recognize unique challenges and identify solutions in health and safety, operations and maintenance, workforce training and development, and quality assurance. What leadership skills are needed to manage teams effectively? How is technology being leveraged to maintain communications and reliability of projects? How has your behavioral safety culture been impacted by the pandemic? Join top owner-operators and experts at the ACP O&M and Safety Conference to address these important topics.

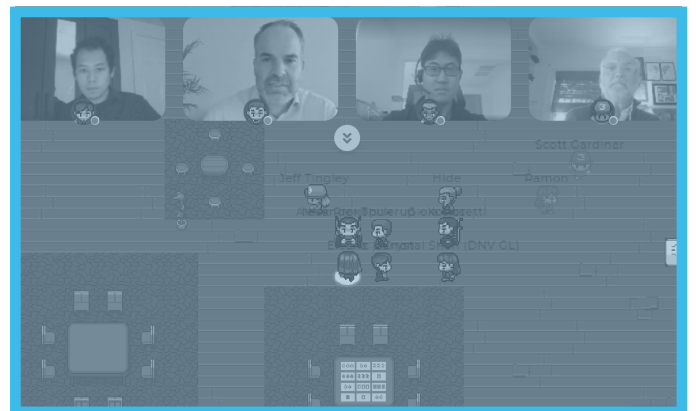

WHO ATTENDS?

This conference is where project owner-operators, turbine manufacturers, service providers, safety professionals, utilities, project developers, equipment suppliers, and engineers come together for a robust discussion about the current state of o&m and safety, and network. As a sponsor, you'll have opportunities to forge essential partnerships for new deals, showcase your company's products, services and expertise, & connect with key decision-makers and thought leaders in renewable energy.

WHY SPONSOR?

Sponsorships are a powerful way to build influence and get your message in front of key stakeholders and decision makers. This type of exposure is invaluable to companies that want to be considered market leaders, and shows both commitment to a growing industry and value as a market resource.

The following opportunities are designed to improve your company's visibility, reinforce existing relationships, drive more traffic to your company's website and ultimately create more leads. Your brand will be on display before, during and after the event.
