ACP Board Governance

ACP members have a number of forums to engage and lead the industry's efforts. One of those is the Board of Directors, a diverse and committed group of leaders selected each year

All ACP members are eligible to submit a request for nomination to serve on the Board and have two pathways to be nominated for a Director position:

1) Elected Directors:

All members are eligible to submit a request for nomination to be elected to the Board. Further details on the process, criteria, and timing for elected positions can be found [here](#). **The deadline to submit a request for nomination is October 22, 2021.**

I am interested in getting more information on how to be nominated to the ACP Board

2) Appointed Directors:

Any member company that contributes a total of:

- \$730,000 or more is eligible to automatically appoint a Director to ACP's Board.
- \$1M or more is also eligible to automatically have a role on the Executive Committee.

Reaching these thresholds can be met through a combination of:

ACP Dues: \$ _____
(reference table and attestation on pg. 1)

Dues to American Energy Action (AEA): \$ _____
(Up to \$100k of funders fees to affiliated 501(c)(4) entity)

Further "Top Up" Contributions: \$ _____
(additional payment to reach governance thresholds)

Total Contributions: \$ _____
