SPONSORSHIP OPPORTUNITIES

OFFSHORE WINDPOWER 2022 CONFERENCE & EXHIBITION

OCT 18 - 19 | Providence, RI

Offshore wind is a once-in-a-generation opportunity and its momentum forward continues leading into ACP's Offshore WINDPOWER Conference & Exhibition this fall. The event has cultivated a dedicated and thriving global community of top developers and experts. As more steel goes in the water, this event will only continue to grow in value and scope.

WHO ATTENDS?

This conference is where developers, utilities, state and federal government officials, turbine manufacturers, suppliers, academics, researchers, economic development agencies, advocacy experts, & consultants come together for a robust discussion about the current state of the offshore wind industry, and network. As a sponsor, you'll have opportunities to forge essential partnerships for new deals, showcase your company's products, services and expertise, & connect with key decision-makers and thought leaders in renewable energy.

WHY SPONSOR?

Sponsorships are a powerful way to build influence and get your message in front of key stakeholders and decision makers. This type of exposure is invaluable to companies that want to be considered market leaders, and shows both commitment to a growing industry and value as a market resource.

The following opportunities are designed to improve your company's visibility, reinforce existing relationships, drive more traffic to your company's website and ultimately create more leads. Your brand will be on display before, during and after the event.
