STEP 2 Determine Membership Dues

Dues Calculations Financial Institutions

All financial institutions pay the same dues level for membership with American Clean Power, and receive the same benefits including discounted member pricing to events, research & data, ability to sponsor and access to committee & board participation.

Please Select:

Please check below to acknowledge your dues price. If you would like to participate in the Offshore Wind Council, select the additional box below.

If you would like to contribute an additional \$50,000 to receive offshore wind council benefits including committee participation please check here.

Any company contributing a minimum of \$830,000 inclusive of (1) membership dues; and as needed (2) additional "top up" contributions above dues are entitled to appoint their CEO to the ACP Board of Directors. These commitments must be made **by November 1st of the year prior** to serving on the Board to be eligible. All ACP members, regardless of financial contribution, can nominate themselves for consideration to be elected to ACP's Board of Directors. For additional questions please contact membership@cleanpower.org

Additional Benefits:

- I would like to receive information about CLEANPOWER PAC.
- I agree to be listed in the ACP Membership directory.

We recommend that all members be listed in the directory. Members can update the information or remove their listing in the directory may be revoked at any time. By agreeing to this, you are giving ACP permission to publish the member company in the online directory which is available only to representatives of member companies. The information included in the listing includes company name, type of company, address, and the Primary Contact unless opting to list an alternate contact.
