TAX CREDITS ARE DRIVING INVESTMENT IN UT-01'S ENERGY ECONOMY

Creating **31,250 jobs** in the district.

Construction and supply chain activity will drive job growth, while increased spending in the district supports job creation across the economy.

Thanks to new jobs and energy savings, constituents will see an increase of over **\$1.2 billion** in household income.

That equates to **\$114 million** per year in additional income across the district.

Between 2025-2035, the programs will add **\$4 billion** to the district's GDP.

The energy tax credits drive economic growth, increase the amount of money benefiting business, and create jobs.
