AMERICAN CLEAN POWER

ANAHEIM CONVENTION CENTER · MAY 24–27, 2027

Turnkey Booth Program

A fully designed exhibit presence: no build, no logistics, no guesswork.

PREPARED FOR

Returning & Prospective CLEANPOWER 2027 Exhibitors

Exhibit space, structure, furniture and labor in one rate.

AMERICAN CLEAN POWER ASSOCIATION

EVENT SALES

The Opportunity

Your team is showing up at multiple industry events this season, often in the same week. The Turnkey Booth Program gives you a complete, professionally designed exhibit at CLEANPOWER 2027 without shipping a single crate or managing a build crew, so your team can focus on building partnerships and driving outcomes, not the logistics.

01

Built for overlapping schedules

One less show to plan around. Show up, brand it, and go.

02

One all-inclusive price

Space, structure, furniture, and install/dismantle bundled into a single rate.

03

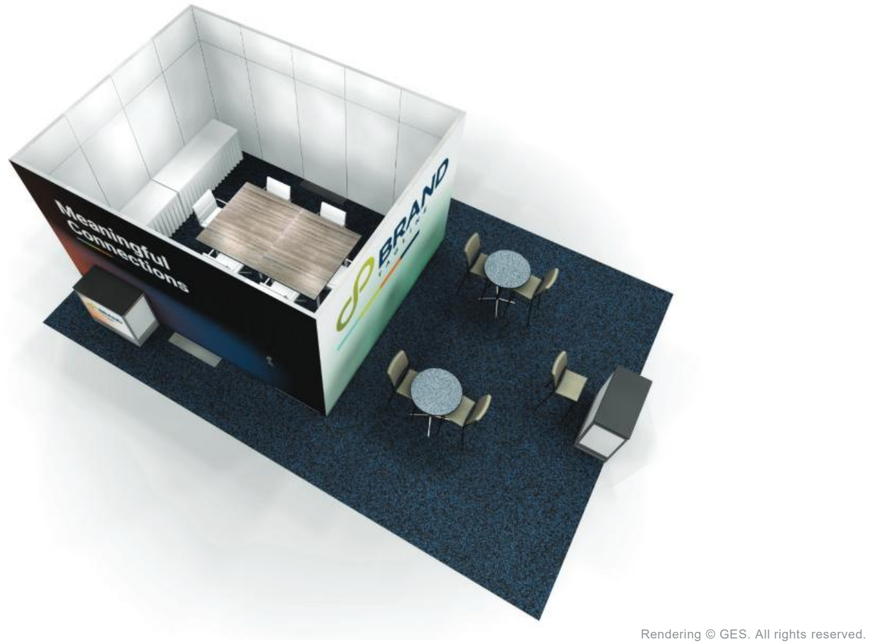

Lower lift for international teams

No freight, no customs, no on-site build crew to coordinate from abroad.

What's Included

Every Turnkey package includes the essentials to show up and show well.

- Exhibit space rental for your footprint
- Professionally designed booth structure sized to your footprint
- Reception and demo counters
- Standard carpet
- Basic furniture package (seating and tables for your space)
- Full installation and dismantling, no crew or tools required on your end
- Full graphic branding on all booth surfaces
- Basic electrical package (5-amp outlet, labor, extension cord, plug strip)

Rendering © GES. All rights reserved.

Monitor packages: optional on every booth, with setup and removal included. **Not included:** anything outside the offerings in this deck is the exhibitor's responsibility.

Keep it: exhibitors keep their fabric graphics after the show.

Pricing by Footprint

All-inclusive turnkey rate: exhibit space, booth structure, furniture, standard carpet, graphics, electrical, install/dismantle, and monitor setup and removal where selected.

Keep it: exhibitors keep their fabric graphics after the show.

04 · PROCESS

How It Works

From reservation to move-out, here's the full path.

1

Reserve your package

Choose your footprint and sign the turnkey agreement.

2

Meet your GES representative

You are handed over to a dedicated GES representative, your primary contact for everything related to your turnkey booth package.

3

Submit your graphics

Send your artwork files ahead of the production deadline, and we handle the rest.

4

We build it

Your booth is installed and ready before doors open. No crew required.

5

Show up and show well

Walk onto a finished booth. We handle dismantle at close of show.

Key Dates & Terms

A few dates to plan around.

- Turnkey booth sales close Thursday, April 15, 2027
- Graphic files due 30 days before the first move-in day
- Turnkey package selection and signed agreement required prior to the graphics deadline
- Furniture and electrical needs beyond the base package are ordered directly through the GES Exhibitor Services Kit
- Designs shown in the Turnkey Booth Program structures are not modifiable. Hanging Signs Not Included.
- Anything outside the offerings in this deck is the exhibitor's responsibility
- Upon signing the Turnkey Booth Program contract, the exhibitor is bound to ACP's exhibitor terms and conditions, and GES terms and conditions apply to all turnkey booth spaces
